Local Housing Allowance: Safeguarded Claimants

Local Housing Allowance is usually paid to the claimant. The claimant cannot decide to have their Local Housing Allowance paid to their Landlord. But we can pay Local Housing Allowance to the landlord if we decide a claimant meets our safeguarding criteria.

What do we mean by safeguard?

Someone who meets our safeguard criteria may have difficulty managing their money. We do not mean someone who does not want to pay his or her rent.

Who decides who meets our safeguard criteria?

The local council decides if a claimant meets our safeguard criteria. We must have evidence that the claimant cannot manage their money. Evidence must usually be in writing. People who can provide evidence include:

The claimant
Friends and family
Welfare groups (including money advisors)
Social Workers
GP
Criminal Justice Social Workers
Jobcentre Plus
The Pension Service
The landlord **(a supplementary letter would be required from the claimant or a third party)**
We will work with the claimant in making our decision.

Who might meet the safeguard criteria?

There are many reasons why someone cannot manage their money. A claimant who may meet our safeguard criteria might be someone who:

Has a severe debt problem
Has a recent Sheriff Court/County Court judgement against them
Is an undischarged bankrupt
Has some of their Income Support or Job Seeker's Allowance paid direct to gas or electricity company by Department of Work & Pensions
Is getting Supporting People help
Is getting help from a homeless charity

We may look into whether the claimant:

Has learning difficulties
Has an illness that stops them managing on a day-to-day basis
Cannot read English
Cannot speak English
Is addicted to drugs, alcohol or gambling
Is homeless

There may be other reasons why someone might require to be safeguarded. Ask us for more information. Details about how to get in touch with us are at the end of this leaflet.

Making a decision

Once we have collected evidence we will decide as quickly as possible if a claimant requires to be safeguarded. We will still pay Local Housing Allowance to the claimant while we are making our decision.

We will tell a claimant they are safeguarded. We will write to the claimant and explain the decision.

Reviews and appeals

If the claimant or landlord disagrees with our decision they can appeal. The rules for this are the same as the rules for Housing Benefit. Details about how to get in touch with us are at the end of this leaflet.

We can look at this decision again. This is called a review. We must get the request for a review within one month of the date of the decision notification letter. If we do not get it within one month, we may not be able to look again at the claim.
