<p>From 1 June 2023, if a non-compliant vehicle is detected in Glasgow's LEZ, a Penalty Charge Notice (PCN) will be issued to the registered keeper of that vehicle.</p> <p>A maximum of one PCN will be issued to the vehicle's registered keeper for breaching LEZ rules in any one day.</p> <p>Set at national level by the Scottish Government for consistency across cities, the initial penalty charge for all non-compliant vehicles entering a LEZ in Scotland will be £60.</p> <p>A scheme surcharge however means that the penalty charge amount will double with each subsequent breach of the rules by the same vehicle detected in the same LEZ.</p> <p>Surcharging will only start however after the first PCN (issued at the initial base tier of £60) can be expected to have been received by the vehicle's registered keeper.</p> <p>Penalty charge rates are capped at £400 for cars and light goods vehicles, and £900 for buses and HGVs. Any further breaches of LEZ rules by the same vehicle detected in the same LEZ once this cap is reached will result in future PCNs issued at the capped penalty charge rate.</p> <p>Where there are no further breaches of the rules detected within the 90 days following a previous violation, the penalty rate will be reset to the base tier charge of £60.</p> <p>All PCNs will be reduced by 50% if paid within 14 days.</p>
