Section 3 – Countersignatory questionnaire

These questions are intended for a healthcare or social work or teaching professional who has seen the applicant at some time over the last 12 months and who is not the applicant's GP.

The questions are designed to gather information about whether the applicant meets the Blue Badge criteria of **being someone who, because of a diagnosed mental disorder, lacks awareness of danger from traffic and is likely to compromise their safety, or the safety of others.**

You should therefore pass this part onto a healthcare or social work professional, who should complete the questions, **providing examples to support their answers**, and then sign this section.

Section 1 - Information about you

- ✓ This section should be completed by all individual applicants for a Blue Badge. All fields should be filled in.
- ✓ The form asks for a National Insurance Number or in the case of children under 16, the NHS number. This can be found on an NHS Medical Card or you can ask the child's GP for it.
