

PB Workshop 1 Introduction to Participatory Budgeting Evaluation Feedback

Very inspiring hearing other people's ideas and passions

Presentations were excellent

An idea that was fuzzy to begin with started to morph into a real thing with shape

Positive Turn Out

Good range of introducing presentations to set the scene

Rose Bud Thorn- Group Session was a good start

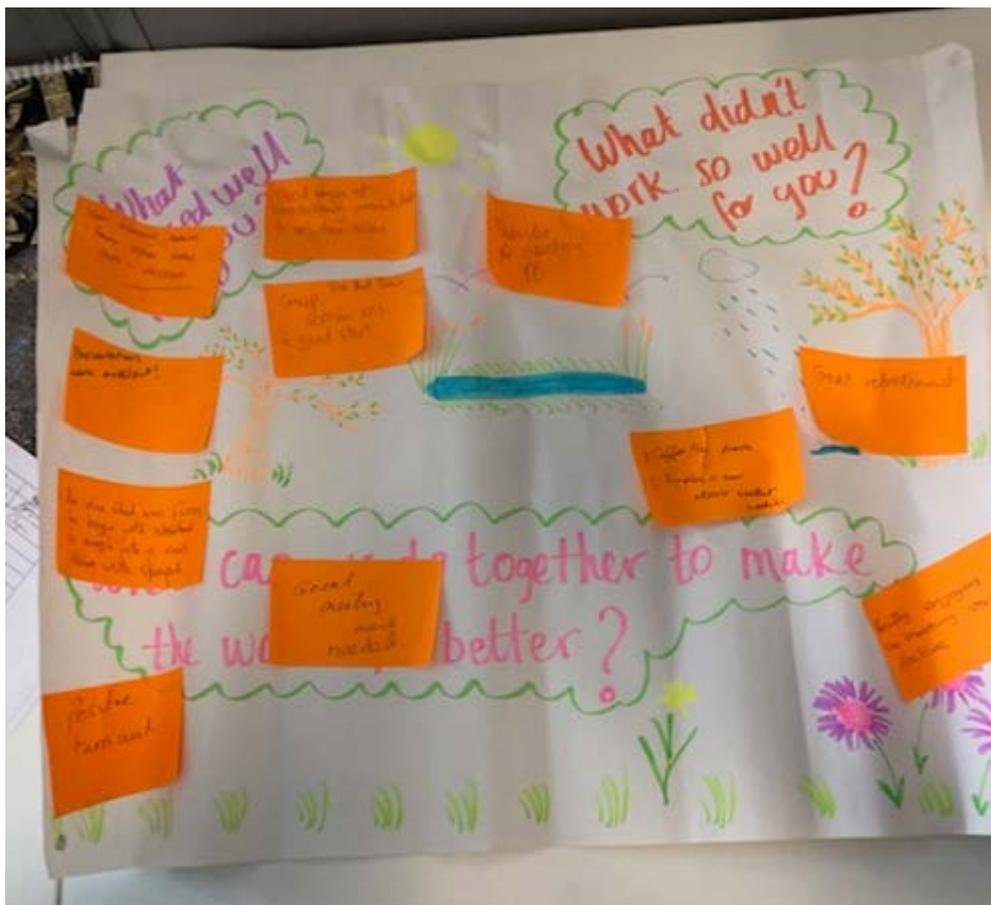

Great meeting more needed

Thanks for clarifying PB

Great refreshments

Really enjoyed the meeting very positive

1. Coffee/Tea please.
2. Signposting at door, otherwise excellent workshop

Maintenance				<ol style="list-style-type: none"> 1. None of the other things can work without this 2. Learning from the workforce who have been maintaining parks and greenspaces over the years- working together to implement new initiatives that grow out of community ideas- but benefitting from years of knowledge and skills from the old parks department. 3. Resident park keepers who are responsible for a particular park. Maintenance and community spirit and involvement would improve 4. Teams which are jettied into cut the grass, do exactly that and no more. They don't even clear up the plastic

				<p>rubbish first so you end up with cut grass and myriads of shards of plastic ☹️</p>
