This is the result of the Ballot to renew a Business Improvement District under the Planning etc (Scotland) Act 2006, Business Improvement Districts (Scotland) Regulations 2007 within Byres Road. The Ballot was held by post with polls closing at 5pm on 27/03/2020

The total number of eligible business premises (total number of ballot papers) of which a person is entitled to vote in the ballot is

£4411200

The return rate (turnout) in respect of those eligible to vote is

%37.27

The return rate (turnout) in respect of rateable values is

%45.32

The votes cast were as follows:

YES – in favour of the Business Improvement District proposals for the areas within Byres Road Renewal as specified on the Ballot Paper	45
NO – not in favour of the Business Improvement District proposals for the areas within Byres Road Renewal as specified on the Ballot Paper	43

The rateable values of the relevant properties in respect of which these votes were cast are as follows:

Aggregate of the rateable values of the relevant properties in respect of which a person voting in the ballot has voted for the BID proposals (A)	£2848100
Aggregate of the rateable values of the relevant properties in respect of which a person voting in the ballot has voted against the BID proposals (B)	£1563100

On the basis of these papers:

1. The number of votes cast in favour of the BID proposals **exceeds** the number of votes cast against those proposals;
2. The aggregate of the rateable values of the relevant properties in respect of which a person voting in the ballot has voted for the BID proposals (A) **exceeds** the aggregate of the rateable values of the relevant properties in respect of which a person voting in the ballot has voted against the BID proposals (B);
3. At least 25% of the persons entitled to vote in the ballot **have** done so; and

4. The aggregate of the rateable values of the relevant properties in respect of which a person voting in the ballot has voted for the BID proposals (A) **plus** the aggregate of the rateable values of the relevant properties in respect of which a person voting in the ballot has voted against the BID proposals (B) **is** equal to at least 25% of the aggregate of the rateable values of all relevant properties in respect of which a person is entitled to vote in the ballot.

As these four conditions **have** been met I therefore declare that, on the basis of a ballot held for the purposes of section 38(1) of the Planning etc (Scotland) Act 2006, the BID proposals for the areas of Byres Road Renewal listed on the Ballot Paper **have** been approved.
