

**THE GLASGOW CITY COUNCIL (CELTIC PARK AND EMIRATES ARENA)  
(EVENT DAY EMERGENCY ROUTES AND PARKING ZONE) ORDER 20\_\_**

**PRE-HEARING MEETING ON 10 MARCH 2020**

**Note of matters agreed at and arising from the meeting**

We refer to the above proposed order, and the letter dated 7 February 2020 setting out the arrangements for the pre-hearing meeting in this regard.

Please find enclosed a note of the matters agreed at and arising from the meeting. It is a **draft** note at this stage, and has been published as such on the website.

We would draw your attention to paragraph 8.1 which states that a note of matters agreed at and arising from the meeting will be sent to all parties who have made representations about the order, and anyone else who has attended the pre-hearing meeting, and that there will be a period of **14 days** for comments to be made.

Please provide any comments you wish to make on the matters set out in the note, by **1 May 2020**. You should restrict your comments to factual errors contained in the note, and queries or disagreement with the procedures relating to the hearing.

Your comments will be taken into account before the note of the meeting is finalised by the reporters and placed on the website.

The reporters would particularly ask you to check the text under agenda item 5 (participation), to ensure that the note accurately reflects any intended participation in the hearing, either in terms of incorrect names, organisations, groups or omissions. Please note that the participation of individuals within groups is subject to ongoing discussion, and that this will be continually updated within the schedule of objections on the website, as the hearing process progresses.

However, please also note that in making preparations for the hearing, the reporters expect everyone to fully comply with government imposed COVID-19 restrictions, and with any additional guidance provided by the Scottish Government and NHS Scotland. The priority for everyone involved in this process is to remain safe.

The reporters recognise that the COVID-19 restrictions create uncertainty with respect to the participation of individuals within groups, and with respect to the timeline for the submission of statements, and the date of the hearing. The dates set out in the note are provisional at this stage, and will depend upon the ability of people to work with others remotely, online, by email, by video link or by telephone.

In this context, the council has requested a sist of the process for the hearing whilst the restrictions imposed with respect to the COVID-19 emergency remain in place. The reporters consider that this request needs to be accommodated, as indicated under item 8 of note of the pre-hearing meeting.

The views of parties on the provisional timeline and the proposed sist of the hearing process would be particularly welcome.

**The finalised note of the pre-hearing meeting will be published on the website as soon as possible after the period for comments has expired. However, you will need to check the website periodically for this, as it will not be issued to parties individually.**

All statements, documents and further written submissions will be published on the website after the periods set out in the note of the pre-hearing meeting have expired. Other updates will be provided on the website as they are required.
