NATIONAL MISSION FUND GRANT FUND APPLICATIONS ADMINISTERED BY THE CORRA FOUNDATION.

LETTERS OF ADP SUPPORT FOR APPLICANTS

The Scottish Government announced a national mission to reduce drug related deaths and harms in January 2021. This is supported by a series of financial measures to immediately increase support for drug service resources, including organisations which deliver services that lead to fast and appropriate access to treatment. Applications for funds will be administered by the CORRA Foundation. Applications for the Improvement and Children and Families Funds need to include a letter of support from their local Alcohol and Drug Partnership (ADP) in tandem with other documents in support of the process.

Full guidelines for CORRA applications can be found at; <https://bit.ly/3zw1nes>

Timelines for application details to Glasgow ADP

Third sector agencies should make contact with the Glasgow Voluntary Sector Drug & Alcohol Agencies (VSDAA) detailing expressions of interest prior to making any submission. These should be emailed to the VSDAA Chair for Glasgow, Gary Meek (email to; gary.meek@glasgowcouncilonalcohol.org) by the dates shown.

Glasgow ADP will meet to review all funding applications on the dates shown below. Details that will be considered as part of the application process are attached in Appendix 1. Please contact the ADP directly should you require any further information.

BIDS SEEKING GLASGOW ADP ENDORSEMENT LETTERS

The Glasgow City Alcohol and Drug Partnership is keen to secure additional investment in Drug Services with innovative and evidence-based approaches to support those seeking support and treatment across our city. In order to co-ordinate activities, the ADP seeks to hear from interested organisations delivering drug services in Glasgow; identify successful activities, find gaps in service delivery, seek innovations or establish areas for development in order to support our communities effectively.

The application processes are now open for various funding opportunities which will be administered by the Corra Foundation on behalf of the Scottish Government. Applications for Improvement Fund and Children and Families Fund monies require a letter of support from the local ADP. Due to expected demand and to avoid duplication of applications, we have sought the support of VSDAA to facilitate discussions across the third sector agencies seeking to bid for these funds.

In order to review and evaluate proposals for funding, Glasgow City ADP seeks to obtain as much information as possible regarding each bid. We would be obliged if applicants would support this process by submitting the following by email;

- A summary of the proposed CORRA application
- Identify which areas of Glasgow your proposal will cover and who will benefit?
- How does the proposal link to the Glasgow ADP strategy or other strategies?
- When/How do you propose to feedback to Glasgow ADP regarding progress?

Information should be emailed by the dates shown to; adp@glasgow.gov.uk

We look forward to hearing from you.
