OFFICIAL KNIGHTSWOOD PRIMARY SCHOOL HANDBOOK

Welcome from the Head Teacher

Knightswood Primary School is a vibrant and happy learning environment. Our children, teachers and support staff work together, learning from each other and expanding the knowledge and skills of our children through an active and broad curriculum which is being developed to meet the four capacities of the Curriculum for Excellence.

We wish to nurture our young people to become Confident Individuals, Effective Contributors, Independent Learners and Responsible Citizens. Our children are valued and their strengths and skills are celebrated. Evaluation is an important tool on our learning journey, and we promote self and peer evaluation for all our learners. Expectations and achievements are high, and all children are encouraged, guided and advised on how to develop and improve.

We have a set of shared values which we all respect and refer to in school. These are Honesty, Kindness, Aspiration, Respect and Creativity. The children learn what these values mean and how they can act in order to keep true to these. The children in Knightswood Primary School are proud of their reputation for being kind and welcoming and we are often told by others how well-mannered and engaging our children are. Our children are a credit to their families and to the school. We are proud of the ethos of respect and care we have developed in partnership with children and their families, and we promote positive behaviour through these shared values.

Children are consulted and are given opportunities to influence the development of the school. We have an active Pupil Council, and other pupil groups. Staff, children and families are involved in setting the priorities for the School Improvement Plan.

It is our wish to co-operate and work with families and others who can support the children's learning in the widest sense, and we take every opportunity to listen to each other to best meet the children's needs.

Be assured that no worry concerning your child is too small or unimportant to share with us; please contact us. We hope the following pages will give you a flavour of our school. Should any questions remain unanswered, we will be only too happy to help.

I look forward to working with you and your children over the years.

Yours sincerely

J. Cunningham

School Term Dates

Details of school term dates are available on the Glasgow City Council website:
<https://www.glasgow.gov.uk/index.aspx?articleid=17024>

Pupil Absence

Within Knightswood Primary School good attendance is encouraged at all times and children rewarded accordingly. Parents are asked to advise if their son or daughter is going to be absent. This should be done as early as possible on the first day of absence. If the young person is going to be absent for some time, it would be helpful to know at the earliest opportunity. The school uses daily text messaging to inform parents and carers of absence if no contact is made. All unexplained absences are investigated by the school and appropriate action taken. All calls must be made to the Pupil Absence Reporting Line on 0141 287 0039. The line is open between 08.00-15.30 Monday to Friday. Alternatively, you can use the online form on the Glasgow City Council website: <https://www.glasgow.gov.uk/index.aspx?articleid=18832>

Medical & Healthcare

The school nurse visits at various times during the year for routine health checks, vaccinations and medical examinations. Parents are kept informed by letter.

If a child becomes ill during the course of the school day, he/she may require to be sent home. Please ensure that you keep the school informed of all contact details.

Parents should inform the school of any medical requirements relating to their child. If a child requires medication during the school day, parents must complete the appropriate medical form. This is available on request from the school office.

Emergencies

We make every effort to maintain a full educational service, but on some occasions circumstances arise which lead to disruption. Schools may be affected by, for example, severe weather, temporary interruption of transport, power failures or difficulties of fuel supply.

In such cases, we shall do all we can to let you know about the details of our closure or re-opening by using letters, texts and the local media etc.

School Uniform

Uniform - The strong community ethos of the school is reinforced by the school uniform we ask the children to wear.

Children should be wearing black or dark coloured shoes or boots not trainers.

Girls can wear grey, blue or black skirt or trousers or pinafore dresses with pale blue or white polo shirts and navy blue cardigans, jumpers or school sweatshirts. Boys should be wearing grey, blue or black trousers or shorts with pale blue or white polo shirts and navy blue jumpers or school sweatshirts.

P1 and P2 will be learning outdoors most days and therefore should attend school wearing a waterproof jacket and appropriate footwear eg. wellyboots

Items may be purchased online from - Schoolwear Made Easy (www.schoolwearmadeeasy.com)

Children are requested to change from outdoor shoes to soft shoes in school.

All items of clothing and footwear should be labelled with your child's name.

Our uniform was agreed in consultation with pupils and parents. It is expected that all children attending Knightswood Primary School will adhere to this dress code.

PE Kit

It is important that pupils come prepared to learn and for PE this requires appropriate clothing. **All** jewellery should be removed. Pupils who are not participating in PE must have a note or a medical certificate. Pupils who are unable to participate in practical PE must have a note or medical certificate. Pupils who are unable to participate in practical PE should still bring their kit to allow them to assist in the lesson by refereeing, keeping scores or assisting with the distribution of equipment. This ensures that they are still able to take part in some way in the work of the class and do not miss out on the knowledge and understanding of the course.

There are forms of dress that are unacceptable in school, such as items of clothing which:

- Potentially encourage factions (such as football colours)

OFFICIAL

KNIGHTSWOOD PRIMARY SCHOOL HANDBOOK

- Could cause offence (such as anti-religious symbolism or political slogans)
- Could cause health and safety difficulties (such as loose fitting clothing, jewellery)
- Could cause damage to flooring
- Carry advertising particularly for alcohol or tobacco
- Could be used to inflict damage on other pupils

Clothing & Footwear Grants

Parents/Carers receiving Income Support, Job Seekers Allowance (Income Based), Working Tax Credit (check link below for thresholds), Housing Benefit, Council Tax Benefit or Universal Credit (check link below for thresholds) will normally be entitled to monetary grants for footwear and clothing for their children. Information and application forms may be obtained from schools and at <https://www.glasgow.gov.uk/index.aspx?articleid=17885>

School meals

Our school provides a lunch service which offers a variety of meals and snacks. Medical diets for children can be provided. Further information can be found here: http://www.fuelzoneprimary.co.uk/UserFiles/files/Medical_Diet_Leaflet%20-%20June%202017%20WEB.pdf. Please inform the Headteacher.

Children who prefer to bring packed lunches will be accommodated in a suitable area.

All children in P1-5 are entitled to a free school meal. However, this does not entitle them to a free breakfast. To receive a free breakfast, you must meet the criteria below and apply accordingly.

If you plan to send your child/children to breakfast club, you should inform the staff of any medical dietary requirements.

Children and young people of parents/carers receiving Income Support, income-based Job Seekers Allowance, Working Tax Credit (check link below for thresholds), Child Tax Credit only (check link below for thresholds), Universal Credit (check link below for thresholds) and income-related Employment and Support Allowance are entitled to a free midday meal. Information and application forms for free school meals may be obtained at <https://www.glasgow.gov.uk/index.aspx?articleid=17885>

Transport

The education authority has a policy of providing free transport to all pupils who live outwith a certain radius from their local school by the recognised shortest walking route. This means that the provision of transport could be reviewed at any time. Parents/Carers who consider they are eligible can apply online at <https://www.glasgow.gov.uk/index.aspx?articleid=17882>

Transfer from Primary to Secondary School

Children and young people normally transfer between the ages of 11 $\frac{1}{2}$ and 12 $\frac{1}{2}$, so that they will have the opportunity to complete at least 4 years of secondary education. Parents and carers will be informed of the school arrangements no later than December of P7. Children from our school normally transfer to:

Knightswood Secondary School
60 Knightswood Road,
Glasgow
G13 2XD
Phone: 0141 582 0160
Email: headteacher@knightswood-sec.glasgow.sch.uk
www.knightswood-sec.glasgow.sch.uk

Knightswood Secondary School staff work with our pupils from Primary 6 onward to prepare them for the transfer to secondary school.

Communication with Parents

At Knightswood Primary School we use a variety of ways to keep in touch.

Open Door Policy - the senior leadership team are available for all parents and carers at any time providing they are not teaching or in another meeting. Please either pop in to the school office or phone for an appointment.

Seesaw - will let parents know what homework has been set and is also used to communicate between the class teacher and parents.

Newsletters - will be sent out on a regular basis to keep parents informed about the work of the school.

Letters - further information which requires a response may be sent out in letter form.

School website/Twitter/App - will contain a great deal of information about the school. It is a good idea to check this regularly.

GroupCall - You may also receive email reminders about events/school closures etc.

Meetings - Parents and carers are welcome to discuss any aspect of their child's development and progress. To avoid disappointment, it is advisable to make an appointment. There are various opportunities throughout the year when parents can discuss their child's progress with the class teacher and view the child's work.

Parents and carers are welcome at other events throughout the school year e.g. workshops, information evenings, class performances, religious and other assemblies. The school newsletter and website will keep you informed.

Emergency Contact Information

In order to use Parents' Portal you will need an account on MyGovScot. Once this created you can use this to login to Parents Portal and link to your child's data within their establishment see <https://parentalportal.gov>

Data Protection – use of information about children and parents/carers

We collect information about children attending school (and also about parents/carers, emergency contacts etc. provided in the Parent Portal) to allow us to carry out the Council's functions as the education authority for the City of Glasgow. This may sometimes involve releasing personal information to other agencies and other parts of the Council, particularly in relation to child protection issues or criminal investigations, and it may also be used for research purposes (see the link below for more details regarding this).

Information held by the school is, in legal terms, processed by Glasgow City Council. The Council is registered as a data controller under the Data Protection Act 2018 and all personal data is treated as confidential and used only in accordance with the Data Protection Act, the General Data Protection Regulations, and the Information Use and Privacy Policy approved by the City Council. For more information on how we use personal information, or to see a copy of the Information Use and Privacy Policy, see <https://www.glasgow.gov.uk/index.aspx?articleid=18010>.

Education specific privacy statements can be accessed at <https://www.glasgow.gov.uk/index.aspx?articleid=22069>.

Appointments during school hours

If your child has an unavoidable appointment, please give them a letter for their class teacher and then collect them from the school office at the specified time.

Comments & Complaints

In Knightswood Primary School we aim to have positive relationships across our school community. However, if you have a comment or complaint about any aspect of school life, please contact the Headteacher in the first instance.

Curriculum

Curriculum for Excellence 3-18

Curriculum for Excellence has been introduced to raise standards of learning and teaching for all 3 to 18 year olds. It aims to help prepare children and young people with the knowledge and skills they need in a fast changing world. As part of Curriculum for Excellence all children from pre-school to the end of S3 will receive a rounded education known as a Broad General Education (BGE). Curriculum for Excellence is all about bringing real life into the classroom and taking lessons beyond it.

Through the experiences we provide at Knightswood Primary School we want our children to become Successful Learners, Confident Individuals, Responsible Citizens and Effective Contributors. We are committed to providing children with a broad general education and focus on eight curriculum areas.

Expressive Arts	Health & Wellbeing	Languages	Mathematics
Religious & Moral	Sciences	Social Studies	Technologies

Progress in learning is indicated through curriculum levels as detailed below.

Level	Stage
Early	The pre-school years and P1 or later
First	To the end of P4, but earlier or later for some
Second	To the end of P7, but earlier or later for some
Third & Fourth	S1-S3, but earlier for some

Expressive arts: The inspiration and power of the arts play a vital role in enabling our children and young people to enhance their creative talent and develop their artistic skills.

Health and wellbeing: Learning in health and wellbeing ensures that children and young people develop the knowledge, understanding and skills which they need now and, in the future, to help them with their physical, emotional and social wellbeing.

Science: Science and its practical application in healthcare and industry is central to our economic future, for our health and wellbeing as individuals and as a society.

Social Studies: Through social studies, children and young people develop their understanding of the world by learning about other people and places both past and present, societies, their beliefs and values.

OFFICIAL

KNIGHTSWOOD PRIMARY SCHOOL HANDBOOK

Religious and moral education: Religious and moral education includes learning about Christianity, Islam and other world religions, and supports the development of beliefs and values.

Languages: Knowing other languages and understanding other cultures is a 21st century skill set for students as they prepare to live and work in a global society.

Mathematics: Mathematics equips us with the skills we need to interpret and analyse information, simplify and solve problems, assess risk and make informed decisions.

Technologies: The range of subjects in technical education has changed significantly over the last two decades and now includes craft, design, engineering and graphics.

There will be opportunities throughout the year for parents and carers to learn more about aspects of the curriculum and to be consulted about significant changes if appropriate.

Religious Observance

Our school is fortunate to have a close link with the local church. The minister assists with the Christianity element of Religious and Moral Education and provides opportunities for religious observance. Parents have the right to withdraw their child from religious observance and should inform the school in writing.

In addition, parents and carers from religions other than Christianity may request that their children may be permitted to be absent from school in order to celebrate recognised religious events. Only written requests detailing the proposed arrangements will be considered. Appropriate requests will be granted on up to 3 occasions in any 1 school session.

Assessment & Reporting

All children are assessed both formally and informally throughout the year. This allows children and their teachers to identify their strengths and areas for improvement. A variety of assessment methods are used to enable staff to pass on information to parents about the progress of their child. Assessment records are kept by the class teacher and form the basis of discussion at Parents' Evenings in November and March. An annual report is sent to parents towards the end of each school year.

If you have any concerns about your child's progress do not hesitate to contact the school.

Support for Pupils

The school has a duty to ensure that all pupils have equal access to the curriculum, with appropriate support for their needs if required. This applies to the content of lessons, teaching strategies and minor adaptations to the school environment. There are a wide range of factors which may act as a barrier to learning. We are committed to working closely with parents and carers to ensure that they are fully involved in any decisions about support for their children's needs.

Any parent or carer seeking further advice regarding this policy should contact the Headteacher in the first instance.

Further information relating to additional support needs is available on the Glasgow City Council website at <https://www.glasgow.gov.uk/index.aspx?articleid=18941>

Information on the Glasgow City Councils' Parental Involvement Strategy can also be found at <https://www.glasgow.gov.uk/index.aspx?articleid=17870>

Nurturing City

The Glasgow City Council vision 'towards the nurturing city', puts building positive, trusting relationships at the core of our work. We ensure children, young people and families feel they belong, they are listened to and they are valued by embedding the principles of nurture across our early years, primary and secondary establishments. Staff are trained in attachment and nurture which deepens understanding of child development and enhances effective practice by responding to the needs of all children and young people in a consistent and caring way. Nurture is a universal approach which builds resilience, helping to reduce the impact of adversity. Effective communication and collaboration with parents and carers builds an ethos of partnership working putting the child at the centre, fostering high quality learning contexts.

Each of our nurturing establishments contribute to the development of Glasgow as a nurturing city, creating safe environments which allow our children and young people to flourish by raising attainment and promoting positive mental health and wellbeing.

School Improvement

On an annual basis, you will receive a copy of our Standards and Quality report. Copies from previous years are available on the school website. The Standards and Quality report highlights progress in key curricular areas such as literacy, numeracy and health & wellbeing. Our priorities for improvement are detailed in our School Improvement Plan which is discussed with our Parent Council. Any parent or carer seeking a copy of the plan can contact the school office or check out our website.

Promoting Positive Relationships

Children's Rights as outlined in the UNCRC (United Nations Convention on the Rights of the Child) are fundamental to a good school ethos. Adults in our school will work with children to ensure they are aware of their rights and fully respect the rights of others. Therefore, the approach within Knightswood Primary School is to build a positive ethos that demonstrates care and respect for all. Positive behaviour is recognised and celebrated. Our school operates a system of class charters to set out expected behaviour. This is celebrated through Golden Time treats, awards at assemblies, 'A Headteacher's Call' and certificates sent home to parents etc.

The highest standards of behaviour are expected of pupils at all times. Where this is not the case, a variety of sanctions are used. Parents are asked to co-operate with the school in encouraging a sense of responsibility and good behaviour in their children.

Home Learning

Continuing to learn at home helps children to achieve more and is a vital part of our partnership with parents. Please check your child's schoolbag for communication about home learning and specific tasks. A copy of our home learning policy is available on the website and on request from the school office.

Parent Council

We have an active Parent Council that represents the views of all parents. All parents are welcome to attend Parent Council meetings and can become members at the AGM in September. Parent Council minutes are available on the Parent Council page of the school website/school app and on request from the school office.

Chairperson	Fiona McCormick

Extra Curricular Activities

We have a wide range of activities that run between Monday - Thursday to extend the learning experience. These currently include chess, rugby, arts and crafts, netball and football. Please check your child's schoolbag for information as places are popular and usually limited.

Good links with community organisations and our Active Schools Co-ordinator are vital for the success of these programmes.

Useful Contacts

Parentzone Scotland is a unique website for parents and carers in Scotland, from early years to beyond school. The website provides up-to-date information about learning in Scotland, and practical advice and ideas to support children's learning at home in literacy, numeracy, health and wellbeing and science. Information is also available on Parentzone Scotland regarding additional support needs, how parents can get involved in their child's school and education. Furthermore, the website has details about schools including performance data for school leavers from S4-S6; and links to the national, and local authority and school level data on the achievement of Curriculum for Excellence levels.
