Head teacher's Introduction

Dear Parents,

I would like to welcome you and your child to St Saviour's Primary School. This handbook contains a range of information that you might find helpful. Please do not hesitate to contact the school or check the school website if you need more information.

I hope that this handbook gives you a glimpse of life at St Saviour's Primary School. .

I look forward to working with you and your child. Many activities are organised throughout the school year, giving parents/carers the opportunity to meet and work with the staff of the school. We look forward to seeing you at various occasions during the session

Please contact myself at the school if you ever have any queries. I will be delighted to help you in any way I can.

Kindest Regards,

Brian Tracey
Head Teacher

Present School Roll – 208

Maximum Roll – 231

Parents should note that the working capacity of the school might vary dependant upon the number of pupils at each stage and in the way in which the classes are organised.

St Saviour's Primary School is an Roman Catholic school. The school campus is shared with Riverside Primary School and Broomloan Nursery School. We belong to the Lourdes Learning Community and the school serves the Govan area of the city. Our school building is fairly newly constructed and opened in June 2010

The school is at the heart of a very close community with many parents and grandparents being former pupils of the school.

Our premises consist of seven mainstream class teaching areas, a shared Library/ICT Suite, Gym and a Dining Room/Assembly Hall. Our school has a floodlit astro-turf football pitch which is extremely well used by the school and the community. We have a garden area which is being jointly developed and will provide excellent outdoor learning opportunities for the school and Nursery pupils.

Pupil Absence

Within St Saviour's Primary School good attendance is encouraged at all times and children rewarded accordingly. Parents are asked to advise if their son or daughter is going to be absent. This should be done as early as possible on the first day of absence. If the young person is going to be absent for some time, it would be helpful to know at the earliest opportunity. The school uses daily text messaging to inform parents and carers of absence if no contact is made. All unexplained absences are investigated by the school and appropriate action taken. All calls must be made to the **Pupil Absence Reporting Line on 0141 287 0039**. The line is open between 08.00-15.30 Monday to Friday. Alternatively you can use the online form on the Glasgow City Council website: <https://www.glasgow.gov.uk/index.aspx?articleid=18832>

Why good attendance is vital for your child's future!!

Glasgow Education authority statistics show how well children learn in comparison to their attendance in St Saviour's. As you can clearly see the children who attended school the most had the highest achievement figures of being on or ahead of track for their expected progress.

Achievement in:	Children attending below 80%	Children attending between 80-90%	Children attending more than 90%
Numeracy/maths	53%	68%	88%
Listening/talking	80%	84%	92%
Reading	60%	81%	88%
Writing	40%	71%	77%

Medical & Healthcare

The school nurse visits at various times during the year for routine health checks, vaccinations and medical examinations. Parents are kept informed by letter.

If a child becomes ill during the course of the school day, he/she may require to be sent home. Please ensure that you keep the school informed of all contact details.

Parents should inform the school of any medical requirements relating to their child. If a child requires medication during the school day, parents must complete the appropriate medical form. This is available on request from the school office.

Emergencies

We make every effort to maintain a full educational service, but on some occasions circumstances arise which lead to disruption. Schools may be affected by, for example, severe weather, temporary interruption of transport, power failures or difficulties of fuel supply.

In such cases, we shall do all we can to let you know about the details of our closure or re-opening by using letters, texts and the local media etc.

OFFICIAL

The school has a breakfast club which runs every morning and is available free of charge to all children who are entitled to a free meal. However all children are able to come along to the Breakfast club for the small cost of £2.00 a day. For a family it is £2 for oldest child and £1 for subsequent children . Breakfast is available from 8.00 a.m. until 8.30 a.m. and consists of fruit juice, milk and a choice of cereals and toast.

In inclement weather the children remain inside until classes begin at 9 a.m.

Saint Saviour's Primary School operates a Buddy System where New Entrants will be allocated a Buddy from Primary Seven who will take care of them in their first few weeks in Primary School. The children will be introduced to their buddies during their visits in April/May.

School House System

To stimulate and encourage a community sense of identity and commitment among pupils, St Saviour's operates a School House System.

On entry, children join a house

- St Clare** (Green),
- St Columba** (Purple)
- St Mungo** (Blue)
- St Andrew** (Orange)
- St John Ogilvie** (Yellow)
- St Margaret** (Red)

Membership is sustained from Primary 1 to Primary 7.

This session the Pastoral Council are reviewing the House system and how it is used. Currently children are awarded house points for a wide range of class and school achievements. The emphasis is on positive reinforcement and personal challenge. Weekly points totals are followed with interest and the final end of session tally determines the annual house winners.

Supervision of Playgrounds

An adult presence is provided at break times in terms of the Schools (Safety and Supervision of Pupils) (Scotland) Regulations 1990

Parents should note that all pedestrian school gates will be open from
8.15 a.m. – 9.15 a.m.
2.45 p.m. – 3.10 p.m.

If children are not accessing the Breakfast Club, they do not need to be on site before 8:45 a.m. Parents are encouraged not to arrive to collect children before 2:50pm. Entry to the school during the day should be made through the office. This is to keep the playground as secure as possible.

OFFICIAL Child Protection Policy - MC57

All educational establishments and services must take positive steps to help children protect themselves by ensuring that programmes of health and personal safety are central to the curriculum and should have in place a curriculum that ensures that children have a clear understanding of the difference between appropriate behaviour and inappropriate behaviour on the part of another person, no matter who.

As with other areas of the curriculum, you will be kept informed of the health and personal safety programme for your child's establishment.

Should any member of staff have concerns regarding the welfare or personal safety of any child they must report these concerns to the head of establishment. The head, or person deputising for the head, after judging that there may be grounds for concern regarding the welfare or safety of any pupil must then immediately advise the duty senior social worker at the local social work services area office of the circumstances.

The Child Protection Co-ordinator for the school is the Headteacher, Mr Brian Tracey. In his absence, Mrs Eilis Kane followed by all members of the Senior Leadership Team.

School Uniform

Our Uniform consists of:

- Grey/black school trousers or skirt
- White polo shirt/ shirt & school tie*
- Grey/Red jumper/cardigan or school sweatshirt/cardigan with logo*
- Shorts, T-Shirt & a pair of trainers
- Indoor shoes are required for use in class.

* School sweatshirts/cardigans, ties & blazers can be ordered from the school

Please ensure that **ALL** items of your child's clothing is clearly labelled with your child's name and that you check them regularly.

Our uniform was agreed in consultation with pupils and parents. It is expected that all children attending Glasgow Primary School will adhere to this dress code.

PE Kit

It is important that pupils come prepared to learn and for PE this requires appropriate clothing. All jewellery should be removed. Pupils who are not participating in PE must have a note or a medical certificate. Pupils who are unable to participate in practical PE should still bring their kit to allow them to assist in the lesson by refereeing, keeping scores or assisting with the distribution of equipment. This ensures that they are still able to take part in some way in the work of the class and do not miss out on the knowledge and understanding of the course.

There are forms of dress that are unacceptable in school, such as items of clothing which:

- Potentially encourage factions (such as football colours)
- Could cause offence (such as anti-religious symbolism or political slogans)
- Could cause health and safety difficulties (such as loose fitting clothing, jewellery)

OFFICIAL

- Could cause damage to flooring
- Carry advertising particularly for alcohol or tobacco
- Could be used to inflict damage on other pupils

Clothing & Footwear Grants

Parents/Carers receiving Income Support, Job Seekers Allowance (Income Based), Working Tax Credit (check link below for thresholds), Housing Benefit, Council Tax Benefit or Universal Credit (check link below for thresholds) will normally be entitled to monetary grants for footwear and clothing for their children. Information and application forms may be obtained from schools and at <https://www.glasgow.gov.uk/index.aspx?articleid=17885>

School meals

Our school provides a lunch service which offers a variety of meals.

Medical diets for children can be provided. Further information can be found here:

http://www.fuelzoneprimary.co.uk/UserFiles/files/Medical_Diet_Leaflet%20-%20June%202017%20WEB.pdf. Please inform the Headteacher if a special diet is required..

Children who prefer to bring packed lunches will be accommodated in a suitable area.

All children in P1-4 are entitled to a free school meal.

If you plan to send your child/children to breakfast club, you should inform the staff of any medical dietary requirements.

Children and young people of parents/carers receiving Income Support, income-based Job Seekers Allowance, Working Tax Credit (check link below for thresholds), Child Tax Credit only (check link below for thresholds), Universal Credit (check link below for thresholds) and income-related Employment and Support Allowance are entitled to a free midday meal. Information and application forms for free school meals may be obtained at

<https://www.glasgow.gov.uk/index.aspx?articleid=17885>

Transport

The education authority has a policy of providing free transport to all pupils who live outwith a certain radius from their local school by the recognised shortest walking route. This means that the provision of transport could be reviewed at any time. Parents/Carers who consider they are eligible can apply online at

<https://www.glasgow.gov.uk/index.aspx?articleid=17882>

Transfer from Primary to Secondary School

OFFICIAL

Children and young people are normally transferred between the ages of 11½ and 12½ so that they will have the opportunity to complete at least 4 years of secondary education.

Parents and carers will be informed of the School arrangements no later than December of the year preceding the date of transfer at the start of the new session.

Our DESIGNATED Secondary School for transfer of P7 Pupils is:

Lourdes Secondary School

47 Kirriemuir Avenue

Glasgow

G52 3DF

Tel: 0141 582 0180

Lourdes Secondary School staff work with our pupils from Primary 6 onward to prepare them for the transfer to secondary school.

Communication with Parents

At St Saviour's Primary School we use a variety of ways to keep in touch.

Open Door Policy – the senior leadership team are available for all parents and carers at any time providing they are not teaching or in another meeting. Please either pop in to the school office or phone for an appointment.

Newsletters – will be sent out on a regular basis to keep parents informed about the work of the school.

Letters – further information which requires a response may be sent out in letter form.

School website/Twitter/App – will contain a great deal of information about the school. It is a good idea to check this regularly.

Text messaging – You may also receive text reminders about events/school closures etc.

Meetings - Parents and carers are welcome in the school to discuss any aspect of their child's development and progress. To avoid disappointment, it is advisable to make an appointment. There are various opportunities throughout the year when parents can discuss their child's progress with the class teacher and view the child's work.

Parents and carers are welcome at other events throughout the school year e.g. workshops, information evenings, class performances, religious and other assemblies. The school newsletter and website will keep you informed.

Emergency Contact Information

At the start of each school session, parents will be issued with the annual data check form. Please ensure that this is completed and returned to the school. It is also important that you let us know if there are changes to your telephone number(s) or to those of your emergency contacts throughout the year.

OFFICIAL

Data Protection – use of information about children and parents/carers

We collect information about children attending school (and also about parents/carers, emergency contacts etc. provided in the annual data check) to allow us to carry out the Council's functions as the education authority for the City of Glasgow. This may sometimes involve releasing personal information to other agencies and other parts of the Council, particularly in relation to child protection issues or criminal investigations, and it may also be used for research purposes (see the link below for more details regarding this).

Information held by the school is, in legal terms, processed by Glasgow City Council. The Council is registered as a data controller under the Data Protection Act 2018 and all personal data is treated as confidential and used only in accordance with the Data Protection Act, the General Data Protection Regulations, and the Information Use and Privacy Policy approved by the City Council. For more information on how we use personal information, or to see a copy of the Information Use and Privacy Policy, see <https://www.glasgow.gov.uk/index.aspx?articleid=18010> .

Education specific privacy statements can be accessed at <https://www.glasgow.gov.uk/index.aspx?articleid=22069> .

Appointments during school hours

If your child has an unavoidable appointment, please give them a letter for their class teacher and then collect them from the school office at the specified time.

Comments & Complaints

In St Saviour's Primary School we aim to have positive relationships across our school community. However, if you have a comment or complaint about any aspect of school life, please contact the Headteacher in the first instance.

Curriculum

OFFICIAL

Curriculum for Excellence 3-18

Curriculum for Excellence has been introduced to raise standards of learning and teaching for all 3 to 18 year olds. It aims to help prepare children and young people with the knowledge and skills they need in a fast changing world. As part of Curriculum for Excellence all children from pre-school to the end of S3 will receive a rounded education known as a Broad General Education(BGE).

Curriculum for Excellence is all about bringing real life into the classroom and taking lessons beyond it.

Through the experiences we provide at Glasgow Primary School we want our children to become Successful Learners, Confident Individuals, Responsible Citizens and Effective Contributors. We are committed to providing children with a broad general education and focus on eight curriculum areas.

Expressive Arts	Health & Wellbeing	Languages	Mathematics
Religious & Moral	Sciences	Social Studies	Technologies

Progress in learning is indicated through curriculum levels as detailed below.

Level	Stage
Early	The pre-school years and P1 or later
First	To the end of P4, but earlier or later for some
Second	To the end of P7, but earlier or later for some
Third & Fourth	S1-S3, but earlier for some

Expressive arts: The inspiration and power of the arts play a vital role in enabling our children and young people to enhance their creative talent and develop their artistic skills.

Health and wellbeing: Learning in health and wellbeing ensures that children and young people develop the knowledge, understanding and skills which they need now and in the future to help them with their physical, emotional and social wellbeing.

Science: Science and its practical application in healthcare and industry is central to our economic future, for our health and wellbeing as individuals and as a society.

Social Studies: Through social studies, children and young people develop their understanding of the world by learning about other people and places both past and present, societies, their beliefs and values.

Religious and moral education: Religious and moral education includes learning about Christianity, Islam and other world religions, and supports the development of beliefs and values.

Languages: Knowing other languages and understanding other cultures is a 21st century skill set for students as they prepare to live and work in a global society.

Mathematics: Mathematics equips us with the skills we need to interpret and analyse information, simplify and solve problems, assess risk and make informed decisions.

OFFICIAL

Technologies: The range of subjects in technical education has changed significantly over the last two decades and now includes craft, design, engineering and graphics.

There will be opportunities throughout the year for parents and carers to learn more about aspects of the curriculum and to be consulted about significant changes if appropriate.

Religious Observance

We are served by St Anthony's Parish in Govan. The Parish Priest, Father Peter Dowling regularly visits the school. He leads the preparations for the sacraments of Reconciliation P3, Holy Eucharist P4 and Confirmation P7.

Masses and Services are regularly celebrated at St Anthony's Church and parents are always most welcome to attend.

Parents and carers from religions other than Christianity may request that their children may be permitted to be absent from school in order to celebrate recognised religious events. Only written requests detailing the proposed arrangements will be considered. Appropriate requests will be granted on up to 3 occasions in any 1 school session.

Assessment & Reporting

All children are assessed both formally and informally throughout the year. This allows children and their teachers to identify their strengths and areas for improvement. A variety of assessment methods are used to enable staff to pass on information to parents about the progress of their child. Assessment records are kept by the class teacher and form the basis of discussion at Parents' Evenings in October and March. An annual report is sent to parents towards the end of each school year.

If you have any concerns about your child's progress do not hesitate to contact the school.

Support for Pupils

The school has a duty to ensure that all pupils have equal access to the curriculum, with appropriate support for their needs if required. This applies to the content of lessons, teaching strategies and minor adaptations to the school environment. There are a wide range of factors which may act as a barrier to learning. We are committed to working closely with parents and carers to ensure that they are fully involved in any decisions about support for their children's needs.

Any parent or carer seeking further advice regarding this policy should contact the Headteacher or Depute Headteacher in the first instance.

Further information relating to additional support needs is available on the Glasgow City Council website at <https://www.glasgow.gov.uk/index.aspx?articleid=18941>

Nurturing City

The Glasgow City Council vision 'towards the nurturing city', puts building positive, trusting relationships at the core of our work. We ensure children, young people and families feel they belong, they are listened to and they are valued by embedding the principles of nurture across our early years, primary and secondary establishments. Staff are trained in attachment and nurture which deepens understanding of child development and enhances effective practice by responding to the needs of all children and young people in a consistent and caring way. Nurture is a universal approach which builds resilience, helping to reduce the impact of adversity. Effective communication and collaboration with parents and carers builds an ethos of partnership working putting the child at the centre, fostering high quality learning contexts. Each of our nurturing establishments contribute to the development of Glasgow as a nurturing city, creating safe environments which allow our children and young people to flourish by raising attainment and promoting positive mental health and wellbeing.

School Improvement

On an annual basis, you will receive a copy of our Standards and Quality report. Copies from previous years are available on the school website. The Standards and Quality report highlights progress in key curricular areas such as literacy, numeracy and health & wellbeing. Our priorities for improvement are detailed in our School Improvement Plan which is discussed with our Parent Council. Any parent or carer seeking a copy of the plan can contact the school office or check out our website.

Promoting Positive Behaviour

Children's Rights as outlined in the UNCRC (United Nations Convention on the Rights of the Child) are fundamental to a good school ethos. Adults in our school will work with children to ensure they are aware of their rights and fully respect the rights of others. Therefore, the approach within Glasgow Primary School is to build a positive ethos that demonstrates care and respect for all. Positive behaviour is recognised and celebrated. Our school operates a system of class charters to set out expected behaviour. This is celebrated through Golden Time treats, awards at assemblies and certificates sent home to parents etc.

The highest standards of behaviour are expected of pupils at all times. Where this is not the case, a variety of sanctions are used. Parents are asked to co-operate with the school in encouraging a sense of responsibility and good behaviour in their children.

Home Learning

Continuing to learn at home helps children to achieve more and is a vital part of our partnership with parents. Please check your child's schoolbag for communication about home learning and specific tasks.

OFFICIAL

Parent Council

We have an active Parent Council that represents the views of all parents. All parents are welcome to attend Parent Council meetings and can become members at the AGM in September.

Pupil Council

Our Pupil Council is made up of 2 representatives from each year group. This is an important group which ensures that the views of pupils are heard.

Extra Curricular Activities

We have a wide range of activities that run between Monday – Friday to extend the learning experience. These have included drama, arts and crafts, dance, netball, basketball and football. Please check your child's schoolbag for information as places are popular and usually limited.

Good links with community organisations and our Active Schools Co-ordinator Alix Drever are vital for the success of these programmes.

Useful Contacts

Parentzone Scotland is a unique website for parents and carers in Scotland, from early years to beyond school. The website provides up-to-date information about learning in Scotland, and practical advice and ideas to support children's learning at home in literacy, numeracy, health and wellbeing and science. Information is also available on Parentzone Scotland regarding additional support needs, how parents can get involved in their child's school and education. Furthermore, the website has details about schools including performance data for school leavers from S4-S6; and links to the national, and local authority and school level data on the achievement of Curriculum for Excellence levels.
