Prospective parents are welcome to visit the school and should contact the school office.

Families living out with the catchment area are welcome to make a placing request to attend Sandaig Primary School but must enrol their child at their local school as a first step.

Further information is available using the following link

ORGANISATION OF CLASSES

The following guidelines set by the Scottish Government apply.

P1	maximum 25
P2&3	maximum 30
P4-7	maximum 33
Composite classes	maximum 25

Composite classes have pupils from more than one stage.

NURTURE CLASS

We are very fortunate in having additional teaching and support staff to run a nurture class. Children (usually in the early stages) who would benefit most from more individual attention attend the 'Otter Room' for some part of the school day. Links are maintained with their own peer group and class teacher. They are taught in this small group environment for a period of time determined by the child's needs.

PUPIL EQUITY FUNDING

Pupil Equity Funding is being utilised this year to provide a specially trained teacher, Mrs Stewart to provide an Upper School version of the Otter Room for three days each week. Pupil Equity Funding is also being used to provide play therapy, student counselling and pet therapy in the school.

SCOTTISH ATTAINMENT CHALLENGE

Another funding stream from the Scottish government, has provided additional staffing in the form of Mrs Kennedy who is our Challenge Leader of Learning (CLOL). Mrs Kennedy has attended specialised training and is leading the improvement of Literacy across the school.

PUPIL ABSENCE

Within Sandaig Primary School good attendance is encouraged at all times. Parents are asked to advise if their son or daughter is going to be absent. This should be done as early as possible on the first day of absence. If the young person is going to be absent for some time, it would be helpful to know at the earliest opportunity. The school uses daily text messaging to inform parents and carers of absence if no contact is made. All unexplained absence is investigated by the school and appropriate action taken. All calls must be made to the Pupil Absence Reporting Line on 0141 287 0039. The line is open between 08.00-15.30 Monday to Friday. Alternatively you can use the online form on the Glasgow City Council website: [Reporting an Absence](#)

Our current attendance policy can be found on our website via the following link [Attendance Policy](#)

MEDICAL & HEALTHCARE

The school nurse visits at various times during the year for routine health checks, vaccinations and medical examinations. Parents are kept informed by letter.

If a child becomes ill during the course of the school day, he/she may require to be sent home. Please ensure that you keep the school informed of all contact details.

Parents should inform the school of any medical requirements relating to their child. If a child requires medication during the school day, this must be discussed with Mrs Smith who will work with you to develop a Health Care Plan for your child.

EMERGENCIES

We make every effort to maintain a full educational service, but on some occasions circumstances arise which lead to disruption. Schools may be affected by, for example, severe weather, temporary interruption of transport, power failures or difficulties of fuel supply.

In such cases, we shall do all we can to let you know about the details of our closure or re-opening by using letters, texts and the local media etc.

SCHOOL UNIFORM

At Sandaig we believe that the wearing of school uniform helps to promote a pride in the school. We encourage the wearing of uniform at all times.

The school uniform is:-

Navy skirt or trousers

Royal blue cardigan or jumper

Blue shirt & school tie

Yellow polo shirt

Badged uniform is available from our supplier

[Aspire Academy](#)

Shoes should be black or navy. Trainers, leggings and Converse are not school uniform.

Our uniform was agreed in consultation with pupils and parents. It is expected that all children attending Sandaig Primary School will adhere to this dress code. This also helps to support our equity agenda with all pupils equal in their clothing.

PE KIT

It is important that children come prepared to learn and for PE this requires appropriate clothing. All jewellery should be removed. Pupils who are not participating in PE must have a note or medical certificate. Pupils who are unable to participate in practical PE should still bring their kit to allow them to assist in the lesson by refereeing, keeping scores or assisting with the distribution of equipment. This ensures that they are still able to take part in some way in the work of the class and do not miss out on the knowledge and understanding of the course.

***PE Kit: Yellow Polo Top, Blue/black shorts or navy joggies, trainers or sandshoes.
School/Royal Blue Hoodies can be worn for outdoor lessons.***

Across the year children at the upper stages take part in events and activities with Bannerman High. Arrangements are in place for children to complete 2 days at Bannerman during term 4 of P7. Bannerman staff come to Sandaig to discuss any special needs or requirements that children may have on going to high school. Contact is also made with other schools which children identify as their destination school to inform the school of the child's progress.

COMMUNICATION WITH PARENTS

School newsletters are sent home at regular intervals and there is always an opportunity for parents to provide feedback via a link in the newsletter. This can be done anonymously. There is a Head Teacher drop in evening each month where you can come along without an appointment on the last Wednesday of Each Month 5.30-6.30pm

Class Curricular Newsletters are sent home each term which give you information about what the children will be learning and how you can help.

Parents' Nights are held twice a year for parents/carers to have an opportunity to discuss on a one to one basis how their child is progressing with their learning.

Parents are invited into school throughout the year to hear directly from the children about their learning. These Learning Festivals often take part during the school day. Days and times are well publicised to parents/carers.

Members of school staff may on occasion phone home if there is something which they wish to discuss with you. Members of the SMT are available in the playground at the beginning and end of the school day if you wish to discuss a small matter.

Parents and carers are welcome in to school to discuss any aspect of their child's development and progress. Please contact the school to make an appointment.

Digital Communication-we primarily use the 'Seesaw' and groupcall emails to message parents. This requires you to have an email address registered with the school. We also use our Twitter feed. You can follow us @sandaigprimary. See-saw is used for Home work and home learning, your child will be given their own personal login.

Parents and carers are also welcome at other events throughout the school year eg workshops, information evenings, class performances, fundraisers etc. The school newsletter will keep you informed.

CURRICULUM

Curriculum for Excellence 3-18

Through the experiences we provide in Sandaig Primary School we want our children to become Successful Learners, Confident Individuals, Responsible Citizens and Effective Contributors. We are committed to providing children with a broad general education and focus on eight curriculum areas.

<i>Language</i>	<i>Mathematics</i>	<i>Health & Wellbeing</i>	<i>Expressive Arts</i>
<i>Social Studies</i>	<i>Technologies</i>	<i>Sciences</i>	<i>Religious & Moral</i>

Progress in learning is indicated through curriculum levels as detailed below.

Level	Stage

Expressive Arts: The inspiration and power of the arts play a vital role in enabling our children and young people to enhance their creative talent and develop their artistic skills.

Health and Wellbeing: Learning in health and wellbeing ensures that children and young people develop the knowledge, understanding and skills which they need now and in the future to help them with their physical, emotional and social wellbeing.

Sciences: Science and its practical application in healthcare and industry is central to our economic future, for our health and wellbeing as individuals and as a society.

Social Studies: Through social studies, children and young people develop their understanding of the world by learning about other people and places both past and present, societies, their beliefs and values.

Religious and Moral Education: Religious and moral education includes learning about Christianity, Islam and other world religions, and supports the development of beliefs and values.

Languages: Knowing other languages and understanding other cultures is a 21st century skill set for students as they prepare to live and work in a global society. We study English, Spanish and French.

Mathematics: Mathematics equips us with the skills we need to interpret and analyse information, simplify and solve problems, assess risk and make informed decisions.

Technologies: The range of subjects in technical education has changed significantly over the last two decades and now includes craft, design, engineering and graphics.

There will be opportunities throughout the year for parents and carers to learn more about aspects of the curriculum and to be consulted about significant changes if appropriate.

RELIGIOUS OBSERVANCE

Our school is fortunate to have a close partnership with the local church. We have the right to withdraw their child from religious observance and should inform the school in writing.

In addition, parents and carers from religions other than Christianity may request that their children may be permitted to be absent from school in order to celebrate recognised religious events. Only written requests detailing the proposed arrangements will be considered. Appropriate requests will be granted on up to 3 occasions in any school session.

ASSESSMENT & REPORTING

All children are assessed both formally and informally throughout the year. This allows children and their teachers to identify their strengths and areas for improvement. A variety of assessment methods are used to enable staff to pass on information to parents about the progress of their child. Assessment records are kept by the class teacher and form the basis of discussion at Parents' Evenings.

PUPIL LEARNING JOURNEYS

All pupils have a Learning Journey folders which are sent home each term providing a snapshot of their learning. There are comment stickers for parents and carers to comment on their child's work.

PUPIL PORTFOLIOS

Each term our pupils record their achievements and select and annotate a piece work that is meaningful to them. This is collated in a PUPIL PORTFOLIO that follows them throughout school and is sent home at the end of P7. These portfolios are an amazing record of pupil success.

PUPIL PROFILES P7

Every child leaving primary school in Scotland has their key achievements in school, at home and in the community documented within a P7 profile. The content of the profile is decided by the young person. The profile is a positive record of their achievements and emphasises their strengths. The profile provides a valuable way for learners to share valuable information about their achievements with their parents and teachers in secondary school. These profiles are built up over the previous years and are sent home at the end of P7.

SUPPORT FOR PUPILS

The school has a duty to ensure that all pupils have equal access to the curriculum, with appropriate support for their needs if required. This applies to the content of lessons, teaching strategies and minor adaptations to the school environment. There are a wide range of factors which may act as a barrier to learning. We are committed to working closely with parents and carers to ensure that they are fully involved in any decisions about support for their children's needs.

Any parent or carer seeking further advice regarding this policy should contact the Headteacher in the first instance.
