Subject: Broomhill Avenue green space

Dear Sir or Madam,

I would like to register our interest in having the green space at Broomhill Avenue transferred to a lease for the local community to use and develop.

I have joined [REDACTED] and the residents of Broomhill Avenue in creating some of the improvements, and visit the site most days. We have a direct view of the space from our rear windows.

My husband and I fully support the lease of the space, and I hope you can count this message as two supporters.

Yours faithfully,

[REDACTED]
