Additional bin required	Existing	Blue	£0.00	No
	Existing	Brown	£0.00	No
	Existing	Purple	£0.00	No

The above table includes bins that can be requested for main door properties only. If a bin type is not included in this table, you will not be eligible to request on our form (we will advise on the form if this is the case).

Please note: Assessments are made by waste team supervisors. If you have made a payment, but it is deemed you are ineligible for the requested bin, you will be refunded within 14 days from the assessment.

Bin Eligibility - Flatted Properties				
Form Category	Property Status	Bin Type	Cost	Assessment
Replacement Bin Required	Existing	Green	£56.70	Yes
	Existing	Blue	£0.00	Yes
	Existing	Grey	£0.00	Yes
Additional Bin required	Existing	Green	£56.70	Yes
	Existing	Blue	£0.00	Yes
	Existing	Grey	£0.00	Yes

The above table includes bins that can be requested for main door flatted only. If the bin type is not included in this table, you will not be eligible to request on our form (we will advise on the form, if this is the case)

Householders who reside in new bin flats must engage with their builder/ housing association, if they require any bin at their property.

Additionally – for green bins – if your property is managed by a housing association or a factor, you must make a request directly to them.

Please note: Assessments are made by waste team supervisors. If you have made a payment, but it is deemed you are ineligible for the requested bin, you will be refunded within 14 days from the assessment.
