Hi [REDACTED]

This will be fine.

Your requests coming through me initially is ideal as I can get a feel for when you are in & that things are still progressing.

I'll let the team at Ibrox know to expect you.

Thanks

Hi [REDACTED]

Thanks for setting us up today.

Would we be able to pop-in tomorrow at 14:00 just for a walk around the pitch? Should be very brief.

Happy to reach out to wider group direct but don't want to muddy communication.

Best,

Hi [redacted]

Hope you had an enjoyable weekend.

We have a creative agency dropping in tomorrow to create some to scale drawings – would it be possible to drop by the Football Centre at around 15:00?

Best,

Hi [redacted]

Yes, that will be fine. I've cc'd in Ibrox team to let them know to expect the visit Friday afternoon. Like I said previously though, there wont be much power availability at all I'm afraid and before we would be willing to allow any use of existing power sources we would need to know what is being plugged in & the loads etc which your contractors could give you. I suspect the need will be for generators to be used & then cabled to where you need the power for each outlet/unit.

Hi [redacted]

Hope this finds you well?

Could I stop by with a couple of the team to check-out power capabilities this Friday @ 14:00?

Let me know.
