Dear Councillor [REDACTED]

We have made it clear to Rangers, Licensing, elected members and others that if there are objections from the Community Council along with your own then Rangers will not be utilising Ibrox Football complex. As far as Glasgow Life is concerned that is the current position and that position has not changed.

I have to be clear, however, that if the objection from the community council was to be dropped then Glasgow Sport would be obliged to take that into account.

Hope this helps.

Dear [REDACTED]

For your information I have been advised that Rangers FC are still going ahead with their application for the Fanzone even though they have no permission to use.

Thanks
