I write to object to the application for a fan zone at Ibrox Community Complex. I would comment as follows; ~ this complex belongs to community and was given to them as a trust.
~Its unbelievable that we would even consider replacing the healthy activity of children's football with booze burgers and chips.
~these pitches have a life span of 8-10 years and then need to be replaced, the pitch would be destroyed with thousands of fans on the pitch at the same time.
~Why would we even contemplate handing the communities pitch over to a multi millionaire at the expense of our children health, fitness and social well being.
~Because of the nature of these applications local businesses are ill informed.
~ some local businesses would go to the wall if this application and others that are in the pipeline were to go ahead.

I trust the aforementioned will taken into consideration.

Dear Sir/Madam,

RE: PEL00730 – Application for a Temporary Public Entertainment License

We recently received correspondence regarding the above Entertainment License. With regards to this the Community Council would like to lodge an objection to the proposed application.

Following our recent monthly Community Council meeting on Wednesday 20th June 2018, our residents expressed their concerns regarding the above proposal. The main reasons for their concerns are noted below

- The venue, Ibrox Football Centre, 80 Hinshelwood Road, G51 2XP, is a community resource. Should the application be approved, essentially this resource will be taken away from the community on the dates proposed in this application. This will mean local residents, football teams and regular users of the facility will in fact not be able to use it on proposed dates. The venue itself is a community asset owned by a local community trust for use by the community.
Should the application go forward, it will set a precedent for many more of these events to be held at this location. Essentially every time there is a home match at Rangers FC, there will be a fan zone in place, again taking this vital community resource out of the community. Since this original application has been received we have had another 3 applications PEL00735, PEL00739 and PEL00740 leading into only August 2018. If the 'Fan Zone' proposal goes ahead what affect will this have on the actual venue itself? Surely 2,000 people each match day will not be good for the pitches were the 'Fan Zone' will be located. These will certainly be damaged by this amount of proposed football.
- Secondly, the introduction of a 'Fan Zone' containing catering and retail units will impact the local economy. Many local businesses rely on the footfall of many fans travelling to games especially catering and retail

Rec'd 9/8/18

business in the area. If the 'Pan Zone' goes forward there will be similar outlets based within it, taking trade away from our local businesses. The outlets in the Fan Zone will be in direct competition with them. Adding to an already unstable and volatile industry.

- Finally, some of our residents are concerned that the 'Fan Zone' will encourage fans into the area for a longer period of time as it will be open from 11am. This puts added pressure onto the community with regards to parking, public transport, access issues and policing which are already stretched on a normal match day. Are additional measures and resources going to become available to the community due to this?

I hope that you will take the concerns of our local residents and community into serious consideration when deciding the outcome of this application. As always we meet every third Wednesday of the Month in the Clyde Community Hall on Whitefield Road, should the licensing board/committee, Rangers FC or Glasgow Life wish to attend to listen to the concerns, we would welcome them.

Yours sincerely

Application for Temporary Public Entertainment Licence PEL00730 (Rangers Fan Zone)

Dear Members

I refer to the recent consultation letter you have received regarding an application by The Rangers Football Club for a temporary public entertainment licence at the Ibrox Football Centre on Saturday 11 August 2018.

I have today received an email from the applicant's solicitor requesting an amendment to the application to include the alternative date of Sunday 12 August. I am advised that if the Club successfully progress to the third round of the UEFA Cup, then they will have a cup tie on 8 August and therefore the fixture on Saturday 11 August will be moved to Sunday 12 August. As such, they require the application to include both dates, albeit the intention is that the licence, if granted, would be effective only on one of those dates depending on the finalised fixture date.

I should be grateful if you could take the above amendment into account in considering any comments you might wish to make to the application. The last date for comments is **Monday 9 July 2018**.

Subject: TPEL - The Rangers Football Club Limited, Fanzone at Ibrox Football Centre, 80 Hinshelwood Drive, Glasgow G51 2XP

Good afternoon [REDACTED]

I refer to the above.

The application seeks permission for the Fanzone on 11 August 2018. This relates to the fixture where Rangers are playing St Mirren. Prior to lodging some informal discussions were had with the relevant authorities to identify a fixture that was: (1) at home; and (2) involved a Cat A team. As a consequence 11 August was chosen.

Unfortunately it has recently come to light that if the Club successfully progresses to the third round of the UEFA Cup then they will have a cup tie on 8 August and therefore the fixture on Saturday 11 August will be moved to Sunday 12 August.

Given the work has gone into the occasional licence application, the client has asked if we can establish if the pending TPEL application could be amended at this stage so that it also seeks permission for a Fanzone on Sunday 12 August as well as Saturday 11 August. This is on the basis that once we have certainty as to the day of the fixture then the application will be amended accordingly. For the avoidance of doubt, there is absolutely no intention to utilise the licence on both days if the licence was amended as requested – it is a one day event linked to the football fixture. Alternatively, we are happy to lodge a second TPEL application if the Licensing Authority was minded to reduce the notice period.

In terms of the Occasional Licence application, given that timeframes permit I propose to lodge a second application on identical terms to the application granted for 11 August. I will write to Police and Licensing Standards to explain the

background. Depending on Ranger's progress in Europe either the Saturday or Sunday licence would be surrendered. This – of course – being on the basis that the second application is granted on delegated authority.

The client appreciates that this is far from ideal and we are requesting an amendment at a fairly late stage of the process, however, they are understandably keen to protect the work undertaken to date.

I'm happy to discuss, however, will be on holiday for a week as of close of business. [REDACTED] is on hand to deal with any matters that may arise in my absence.

Have a good weekend!

Kind regards
[REDACTED]

P.S. for full disclosure an application has been lodged in respect of a fixture on 22 September. This seeks permission for both 22 and 23 September in order to protect the position and avoid the situation outlined above.

Subject: TPEL - The Rangers Football Club Limited, Fanzone at Ibrox Football Centre, 80 Hinshelwood Drive, Glasgow G51 2XP

Good afternoon [REDACTED]

I refer to the above.

The application seeks permission for the Fanzone on 11 August 2018. This relates to the fixture where Rangers are playing St Mirren. Prior to lodging some informal discussions were had with the relevant authorities to identify a fixture that was: (1) at home; and (2) involved a Cat A team. As a consequence 11 August was chosen.

Unfortunately it has recently come to light that if the Club successfully progresses to the third round of the UEFA Cup then they will have a cup tie on 8 August and therefore the fixture on Saturday 11 August will be moved to Sunday 12 August.

Given the work has gone into the occasional licence application, the client has asked if we can establish if the pending TPEL application could be amended at this stage so that it also seeks permission for a Fanzone on Sunday 12 August as well as Saturday 11 August. This is on the basis that once we have certainty as to the day of the fixture then the application will be amended accordingly. For the avoidance of doubt, there is absolutely no intention to utilise the licence on both days if the licence was amended as requested – it is a one day event linked to the football fixture. Alternatively, we are happy to lodge a second TPEL application if the Licensing Authority was minded to reduce the notice period.

In terms of the Occasional Licence application, given that timeframes permit I propose to lodge a second application on identical terms to the application granted for 11 August. I will write to Police and Licensing Standards to explain the background. Depending on Ranger's progress in Europe either the Saturday or Sunday licence would be surrendered. This – of course – being on the basis that the second application is granted on delegated authority.

The client appreciates that this is far from ideal and we are requesting an amendment at a fairly late stage of the process, however, they are understandably keen to protect the work undertaken to date.

I'm happy to discuss, however, will be on holiday for a week as of close of business. [REDACTED] is on hand to deal with any matters that may arise in my absence.

Have a good weekend!

Kind regards
[REDACTED]

P.S. for full disclosure an application has been lodged in respect of a fixture on 22 September. This seeks permission for both 22 and 23 September in order to protect the position and avoid the situation outlined above.

I have been advised this morning that a decision was taken late last night by [REDACTED] that the Rangers fan zone proposal will not go forward to licensing for consideration. Glasgow Life are therefore obliged to honour this decision, as such are unable to grant permission to use Ibrox Football Complex.

I also understand that the Chair of the Licensing Committee has been advised of this decision.

In view of this, I assume you will make the necessary arrangements to cancel the Licensing & Regulatory Committee meeting scheduled for Mon 6th Aug 2018.

Let me know if you need to discuss further.
