

EQUALITY IMPACT ASSESSMENT (EQIA): SCREENING FORM

Introduction to the EQIA screening process

A successful EQIA screening will look at 5 key areas:

1. Identify the Policy, Project, Service Reform or Budget Option to be assessed

A clear definition of what is being screened and its aims

2. Evidence & Engagement

Collect data to evidence the type of barriers people face to accessing services (research, consultations, complaints and/or consult with equality groups)

3. Differential Impact

Reaching an informed decision on whether or not there is a differential impact on equality groups, and at what level

4. Outcomes and Action

Develop an action plan to make changes where a negative impact has been assessed

5. Monitoring Outcomes and Next Steps

Stating how you will monitor and evaluate the **Policy, Project, Service Reform or Budget Option** to ensure that you are continuing to achieve the expected outcomes for all groups.

1. IDENTIFY THE POLICY, PROJECT, SERVICE REFORM OR BUDGET OPTION:

a) Name of the Policy, Project, Service Reform or Budget Option to be screened

Review of the Breakfast Service

b) List main outcome focus and supporting activities of the Policy, Project, Service Reform or Budget Option

Glasgow City Council introduced breakfast clubs in all primary schools across the city a number of years ago. The objective was to provide children with the best possible start to the day and aimed to meet the needs of the most vulnerable and targeting resources to those most in need. Children can come into school from 8.00 a.m. The menu currently offers fruit, cereal and toast.

A budget option exists to review the breakfast service in schools and all breakfast clubs will be in scope. Focus will be on low attendance clubs. A reduction of 10 (7%) breakfast clubs has been targeted to be implemented from April 2015.

c) Name of officer completing assessment (signed and date)

d) Assessment Verified by (signed and date)

2. EVIDENCE & ENGAGEMENT

The best approach to find out if a policy, etc is likely to impact negatively or positively on equality groups is to look at existing research, previous consultation recommendations, studies or consult with representatives of those groups. This will provide you with what do you need to know that will provide you with evidence of the needs of the diverse population and their needs.

Please name any research, data, consultation or studies referred to for this assessment:	Please state if this reference refers to; Gender, BME, Disabled people, LGBT, older people, children & young people or faith & belief.	Do you intend to set up your own consultation? If so, please list the main issues that come from this consultation.
Consultation has taken place with headteachers and Cordia on the Review of the Breakfast Service	children & young people	no

5. MONITORING OUTCOMES AND NEXT STEPS

The equalities impact assessment screening is not an end in itself but the start of a continuous monitoring and review process.

It is our responsibility to identify any current, new or developing issues raised by the community.

Individual services are responsible for conducting the impact assessment for their area, staff from **Corporate Strategic Policy and Planning** will be available to provide support and guidance.

Legislation

Equality Act (2010) - the Equality Act 2010 (Specific Duties) Scotland Regulations 2012

The 2010 Act consolidated previous equalities legislation to protect people from discrimination on grounds of:

- race
- sex
- sexual orientation (whether being lesbian, gay, bisexual or heterosexual)
- disability (or because of something connected with their disability)
- religion or belief
- being a transsexual person (transsexuality is where someone has changed, is changing or has proposed changing their sex – called ‘gender reassignment’ in law)
- having just had a baby or being pregnant
- being married or in a civil partnership, and
- age.

As noted the Equality Act 2010 simplifies the current laws and puts them all together in one piece of legislation. In addition the **Specific Duties (Scotland Regulations 2012)** require local authorities to do the following to enable better performance of the general equality duty:

- report progress on mainstreaming the general equality duty
- publish equality outcomes and report progress in meeting those
- impact assess new or revised policies and practices as well as making arrangements to review existing policies and practices gather, use and publish employee information
- publish gender pay gap information and an equal pay statement
- consider adding equality award criteria and contract conditions in public procurement exercises.

Enforcement

Judicial review of an authority can be taken by any person, including the Equality and Human Rights Commission (EHRC) or a group of people, with an interest, in respect of alleged failure to comply with the general equality duty. Only the EHRC can enforce the specific duties. A failure to comply with the specific duties may however be used as evidence of a failure to comply with the general duty.
